

Lead Golf Instructor

Sanford Power Golf Academy

Irvine, CA

Job Overview

Responsibilities will include but not be limited to leading all golf academy operations and coaching staff for the Sanford Power Golf Academy in Irvine, CA. This is a leadership role that will require the development of staff, coaching programs, business development, networking within the community and coordinating the resources provided by Sanford Sports and the Sanford Sports Science Institute. The golf academy is an indoor facility with state of the art technology and resources including Trackman, 3-D cameras, force plates, indoor putting green, golf simulator, 3 hitting bays and PuttView. This position will work closely with our team of physical therapists, bio mechanist and fitness experts to develop a comprehensive program to create the best learning environment in the area. This is a unique opportunity to be part of a team and organization that will provide the support and resources needed to compete and truly offer a different and special coaching experience.

Sanford Health/Sanford Sport

Sanford Health is one of the largest health systems in the Unites States. Headquartered in Sioux Falls, South Dakota, the organization includes 46 hospitals, 1400 physicians and more than 200 Good Samaritan Society senior care facilities in 26 states and 10 countries. Sanford Sports, which is part of the Sanford Health System, has a variety of sports academies throughout the Midwest including golf, baseball, football, volleyball and basketball. All Sanford Power academies are supported with a full marketing and human resources team to assist in business development and management of staff.

Experience Required

Applicants should have a minimum of 5+ years of coaching experience. In addition to excellent coaching skills, applicants should have experience in running a business, leadership of staff and building a customer/student base. Bachelor's degree is suggested but not required.

Benefits

A full health care benefits package along with earned PTO and retirement savings are offered with this position. Details provided in the interview process.

Compensation

This is a salary position with opportunities for upward movement.

Salary range: \$61,720.00 to \$75,140.00 per year plus benefits

Total Anticipated Compensation: \$80,916.00
